Adolescent Mental Health

- 1 in 5 young people in Ireland experience mental health difficulties
- 50% of adults with a mental illness first experience symptoms before the age of 14
- 20% of deaths by suicide in Ireland are young people aged 15–24

Adolescence is a time of increased risk of poor mental health but there are many gaps in service provision in Ireland. St. Patrick's is responding to this urgent need.

The recently opened Adolescent Mental Health Service is unique in providing care to young people and their families.

“Only you can change your life, but the people here (at St. Patrick's) can help you succeed. Without them I wouldn't be who I am today—happy, healthier and looking forward to a future.”

(Written by a young person who attended our Adolescent Services.)

Be part of our solution. Together, we can build a society where **young** people have the opportunity to live mentally healthy lives.

Your support helps us to:

- Provide greater access to our services
- Develop and deliver excellent mental health services for young people
- Provide a national school-based mental health awareness programme

St. Patrick's Hospital Foundation:

The St. Patrick's Hospital Foundation, **formerly the Association of Friends of St. Patrick's, fundraises on behalf of St. Patrick's University Hospital**, Ireland's largest, independent, not-for-profit mental health services provider. Now, more than ever, the need for our services is vital.

Your day at Killeen Castle

Killeen Castle in Co. Meath opened just two years ago and in that short time the Jack Nicklaus Signature Course has become one of the most talked about and 'must play' golf courses in the country. The golf course is set in natural woodlands and parklands. Stunning stonework and water features are prominent in 9 of the 18 holes. The 7,600 yard course provides the sternest of Championship challenges while remaining accessible to the average golfer.

Just 20 minutes from the M50 on the M3, Killeen Castle regularly hosts some of the world's finest golfers. Recent visitors include Pádraig Harrington, Nick Faldo, Mark O'Meara, Graeme McDowell, and Annika Sorenstam. In September Killeen Castle will host the best women's golfers from Europe and the United States as they battle it out to win the Solheim Cup.

Your special day at Killeen Castle will include:

- 18 holes on the Jack Nicklaus Signature Course for a Team of Four
- The opportunity to experience Europe's only Dave Pelz Scoring Game School. Before you tee off or after your round take some time with Pelz tutors Conor Devery and Jussi Pitkanen to improve your wedge, chipping and putting. Phil Mickelson and Michelle Wie are Pelz students, so if it is good enough for them!! Hourly sessions will begin at 10am and run throughout the day to suit your tee off time
- Dinner in the splendid Killeen Castle Clubhouse
- After dinner enjoy the company of international rugby personalities, including Ollie Campbell, Tony Ward and RTE's Des Cahill discussing the upcoming 2011 Rugby World Cup in New Zealand
- Magnificent prizes
